Package #3 - $254.99 Value

Garmin Nüvi 265W/WT GPS - 4.3" Touch Screen portable GPS

$254.99

Garmin Nuvi 265W/WT GPS - 4.3" Touch Screen, Text To Speech, Free Lifetime Traffic, Bluetooth, US and Canada Maps

Features:

Get Turn-by-Turn Directions

nüvi 265WT's intuitive interface greets you with two simple questions: "Where to?" and "View Map." Touch the color screen to easily look up addresses and services and get voice-prompted, turn-by-turn directions that speak street names to your destination. It comes preloaded with detailed City Navigator® NT street maps, more than 6 million points of interest (POIs), 2-D or 3-D maps and smooth map redraw rates as you navigate. Its digital elevation maps show you shaded contours at higher zoom levels, giving you a big picture of the surrounding terrain. In addition, nüvi 265WT accepts custom points of interest (POIs), such as school zones and safety cameras and lets you set proximity alerts to warn you of upcoming POIs. With HotFix® satellite prediction, nüvi calculates your position faster to get you there quicker.

Make Hands-free Calls

For hands-free calling, nüvi 265WT integrates Bluetooth® wireless technology with a built-in microphone and speaker. Just pair it with your compatible Bluetooth phone and talk hands-free through the 265WT while staying focused on the road. Simply dial numbers with nüvi's touchscreen keypad to make a call. To answer calls, just tap the screen and speak into its built-in microphone. Enjoy convenient one-touch dialing for contacts and points of interest.

Avoid Traffic Tie-ups

Steer clear of traffic with nüvi 265WT's integrated FM traffic receiver. Receive alerts about traffic delays and road construction that lie ahead on your route. Next, simply touch nüvi's screen to view traffic details or detour around the problem area.

Take It With You

Like the rest of the nüvi 205-series, nüvi 265WT sports a sleek, slim design and fits comfortably in your pocket or purse. Its rechargeable lithium-ion battery makes it convenient for navigation by car or foot. With its "Where Am I?" emergency locator, you always know your location. Simply tap the screen to get your exact latitude and longitude coordinates, the nearest address and intersection, and the closest hospitals, police stations and fuel stations.

Go Beyond Navigation

Navigation is just the beginning. nüvi 265WT includes many travel tools, including JPEG picture viewer, world travel clock, automatic time zone transition, currency converter, unit converter, calculator and more. With photo navigation, you can download pictures from Garmin Connect™ Photos and navigate to them. The 265WT is compatible with our free Garmin Garage™ where you can download animated vehicles that show your location on the map. It also comes with Garmin Lock™, an anti-theft feature. Enhance your travel experience with optional plug-in SD™ cards such as Garmin Travel Guides for detailed data on attractions.

Whats in the box?

nüvi 265W, Preloaded City Navigator® NT North America (U.S. and Canada) or Europe (full coverage), Lifetime traffic[1] , FM traffic receiver with vehicle power cable (indicated by "T" after model number on the box), Vehicle suction cup mount [2] , USB cable, Quick start manual.
